

State of Iowa Discount Program

As part of our continued effort to bring the State of Iowa the best wireless voice and data services available, U.S. Cellular is pleased to announce the State of Iowa Discount Program.

This program will enable State of Iowa agencies the ability to utilize many of our voice and data packages at an even greater value. U.S. Cellular values our relationship with the State of Iowa, and we are committed to providing the State with the latest communication tools, and the best customer service, all at a great value.
